○ **533 SS** For Self-Sustaining feature with Check Hinges.

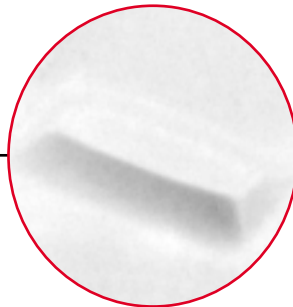

○ **533 PC/FR** ○ **533 SS PC/FR**

For Perma-Check® Antimicrobial and Flame Retardant Features.

533 Elongated (Open front seat less cover)

533 Elongated

Exclusive inner rim and unique new bumper designs are integrally molded (as part of the seat) for permanence, sanitation and cleaning ease. Inner rim prohibits moisture flow to the outside of the bowl.

The Self-Sustaining feature allows the seat to be positioned at any desired angle. Beneke constructed this feature so it never needs adjusting and will never wear out.
